

Wire Frame Design of WGU Course Planner App

1. Home Page:

This page will be the main home page which includes the WGU logo and one button “START HERE” as below:

2. Terms List Page:

After user clicks on “START HERE” button, there will be the page to show the list of all current terms (if any). The Term 1 is already added as default for testing purpose.

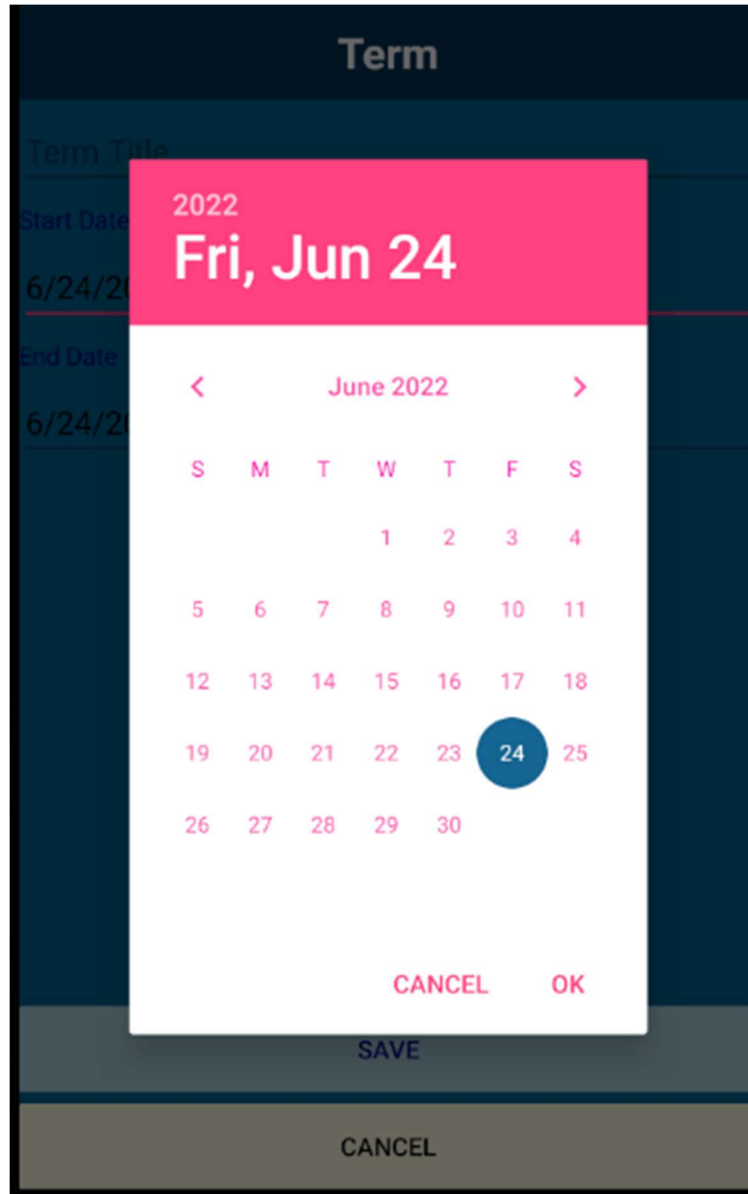

3. Term Form Page (Add):

If the user clicks on “ADD TERM” from **Terms List Page**, the term form page will be showed as below:

Term	
Term Title	
Start Date	6/20/2022
End Date	6/20/2022
<div>SAVE</div> <div>CANCEL</div>	

The entries have the Date Picker for user to enter at “Start Date” and “End Date” like below:

After the user inputs all information on Term Form Page, click on “SAVE” button the information will be stored and saved, click on “CANCEL” if the user wants to cancel the process. Then, the form will be navigated back to Terms List Page as below:

The screenshot displays a mobile application interface for managing terms. The top section is a dark blue header bar containing a white back arrow on the left and the text "All Terms" in the center. Below the header is a light yellow rectangular area that serves as a container for a list of terms. This area contains two white rectangular buttons, each with a blue border and the text "TERM 1" and "TERM 2" respectively. At the bottom of the screen is a dark blue footer bar with a white button labeled "ADD TERM".

4. Term View Page:

If the user clicks on “TERM 2” from **Terms List Page**, the information input from user before will be showed like this:

The image shows a mobile application screen for the 'Term View Page'. At the top, there is a dark blue header bar with a white back arrow on the left and the text 'Term 2' in the center. Below the header is a large yellow rectangular area. At the top of this yellow area, the text 'Start date: 09-01-2022 - End date: 12-31-2022' is displayed. At the bottom of the screen, there are three stacked buttons: a dark blue button with the text 'ADD COURSE (MAX 6)', a light blue button with the text 'EDIT TERM', and a red button with the text 'DELETE TERM'.

There are 3 buttons on this page for user to “ADD COURSE” (up to 6), “EDIT TERM” and “DELETE TERM”

5. Term Form Page (Edit):

If the user clicks on “EDIT TERM” from **Term View Page**, the term form page will be showed again for user to edit information as below:

The screenshot displays a mobile application form titled "Term". The form contains the following elements:

- Term**: A text input field with the value "Term 2".
- Start Date**: A date input field with the value "9/1/2022".
- End Date**: A date input field with the value "12/31/2022".
- SAVE**: A light blue button located at the bottom of the form.
- CANCEL**: A yellow button located at the bottom of the form.

Click on “SAVE” button, the information will be saved and stored again.

If the user clicks on “DELETE TERM” button, there will be message popup as below:

Then, the user can decide to click on “DELETE” to delete a term or “CANCEL” the process.

6. Course Form Page (Add):

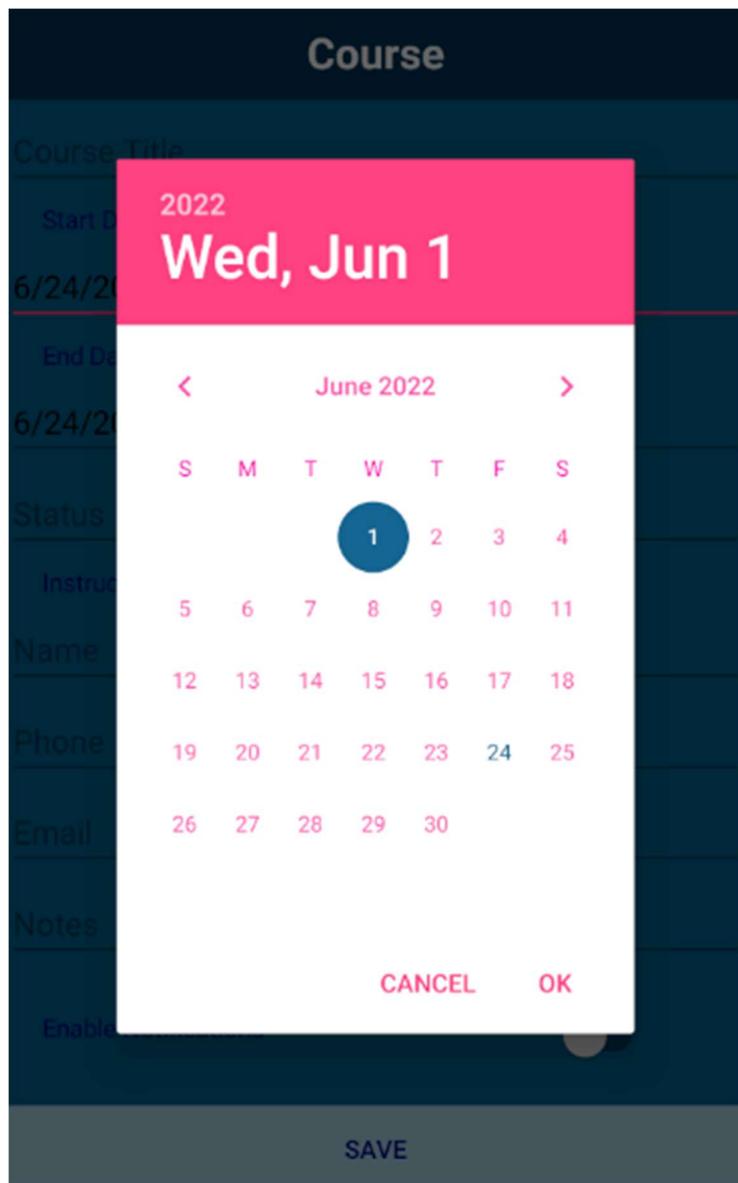

If the user clicks on “ADD COURSE” from **Term View Page**, the Course Form Page will be showed below:

The image shows a mobile application form titled "Course" in a dark blue header. The form has several input fields: "Course Title", "Start Date" (with the value "6/24/2022"), "End Date" (with the value "6/24/2022"), "Status", "Instructor's Info:" (which includes sub-fields for "Name", "Phone", and "Email"), "Notes", and a toggle switch for "Enable Notifications" (which is currently turned off). At the bottom of the form is a light blue button labeled "SAVE".

Course	
Course Title	
Start Date	6/24/2022
End Date	6/24/2022
Status	
Instructor's Info:	
Name	
Phone	
Email	
Notes	
Enable Notifications	<input type="checkbox"/>
SAVE	

The entries have the Date Picker for user to enter at “Start Date” and “End Date” like below:

There is also the “Enable Notifications” switch button for user to enable the notifications on “Start Date” and “End Date” of the course.

There is also the Picker of course status for user to select as shown below:

The image shows a mobile application interface for a 'Course' form. The form has a dark blue header with the title 'Course'. Below the header, there are several input fields: 'Course Title', 'Start Date' (with the value '6/24/2022'), and 'Notes'. A modal window titled 'Status' is open, displaying four options: 'In Progress', 'Completed', 'Dropped', and 'Plan To Take'. A red 'CANCEL' button is located at the bottom right of the modal. At the bottom of the form, there is a toggle switch for 'Enable Notifications' and a grey 'SAVE' button.

After the user inputs all information on Course Form Page, click on “SAVE” button the information will be stored and saved, scroll down to click on “CANCEL” if the user wants to cancel the process. Then, the form will be navigated back to Term View Page as below (Example for Term 1):

The screenshot displays a mobile application interface for 'Term 1'. At the top, a dark blue header bar contains a back arrow icon on the left and the text 'Term 1' in the center. Below the header, a light yellow section displays the text 'Start date: 05-01-2022 - End date: 08-31-2022'. Underneath this, there are two white rectangular boxes with blue borders, each containing the text 'SAMPLE COURSE 1' and 'SAMPLE COURSE 2' respectively. A large, empty light yellow rectangular area follows. At the bottom of the screen, there are three stacked horizontal bars: a dark blue bar with the text 'ADD COURSE (MAX 6)', a light blue bar with the text 'EDIT TERM', and a red bar with the text 'DELETE TERM'.

If the user attempts to add more than 6 courses, there will be an alert message like this:

Click on "OK" to exit the message.

7. Course View Page:

If the user clicks on “SAMPLE COURSE 1” from **Term View Page**, the Course View Page will be showed as below:

The screenshot shows a mobile application interface for 'Sample Course 1'. At the top is a dark blue header with a back arrow and the course title. Below this is a light yellow section containing course details: start and end dates, status, instructor information, and notes. At the bottom are four colored buttons: 'SHARE NOTES' (white with blue border), 'ASSESSMENTS' (white with blue border), 'EDIT COURSE' (light blue), and 'DELETE COURSE' (red).

Sample Course 1	
Start date: 06-01-2022 - End date: 06-30-2022	
Status	In Progress
Instructor's Info:	
Name:	Thuy Tien Nguyen
Phone:	123-456-0789
Email:	ttnguyen@wgu.edu
Notifications Enabled:	ON
Notes:	This is the sample course
SHARE NOTES	
ASSESSMENTS	
EDIT COURSE	
DELETE COURSE	

All the course information input from user before will be showed here together with buttons for “EDIT COURSE”, “DELETE COURSE”, “SHARE NOTES” (for sharing notes via email, text message or other social media channels), and “ASSESSMENTS” button to show assessment information.

8. Course Form Page (Edit):

If the user clicks on “EDIT COURSE” from **Course View Page**, the Course Form Page for editing information will be showed as below:

The image shows a mobile application interface for editing a course. The form has a dark blue header with the title "Course". Below the header, the form is divided into several sections with light blue backgrounds and dark blue borders. The first section is titled "Sample Course 1". The second section contains "Start Date" with the value "6/1/2022". The third section contains "End Date" with the value "6/30/2022". The fourth section is titled "In Progress". The fifth section is titled "Instructor's Info:" and contains three fields: "Thuy Tien Nguyen", "123-456-0789", and "ttnguyen@wgu.edu". The sixth section contains the text "This is the sample course". The seventh section contains a toggle switch for "Enable Notifications", which is currently turned on (indicated by a red circle). At the bottom of the form is a light blue button labeled "SAVE".
